Farm Credit Material

<u>Date sent</u>	<u>Title</u>	<u>Distribution</u>
August 30	Press release dated August 27 (No. 4-21) - the first loan under the decentralized plan of giving financial assistance to farmers' cooperatives was granted to the Egyptian Seed Growers Exchange of Flora, Illinois.	To State extension editors in Illinois and Missouri.
August 30	Press release dated August 30 (No. 4-20) - where the number of applications for loans is so great that the farms offered as security cannot be appraised promptly, the banks will offer to return the initial fees deposited, and they will be told when the time arrives that their applications can be acted upon. They will be notified and requested to return the fees to the bank before appraisal is made. This will give the farmers the use of their money until shortly before appraisal can be made.	To State extension editors in all States.
September 1	Press release dated August 30 (No. 4-22) - appointment of the board of directors of the Central Bank for Cooperatives, giving names and addresses of members of the board, three representing general public and three the farmers cooperatives, with F. W. Peck as chairman as provided in the Farm Credit Act of 1933.	To State extension editors in all States.

Agricultural Production Adjustment Material

W H E A T:

August 30	Press release "15 Percent Wheat Acreage Cut to Be Required of Farmers."	To State extension editors in Wheat States.
August 30	Press release "Provisions of Wheat Agreement Explained." Aug. 26, 1933	To State extension editors in Wheat States.
August 30	Press release "Provisions of Wheat Agreement Explained." Aug. 28, 1933	To State extension editors in Wheat States.

<u>Date sent</u>	<u>Title</u>	<u>Distribution</u>
<u>W H E A T (Continued):</u>		
August 30	Press release "Wheat Allotments Can Be Based on Proved Production of Farmers."	To State extension editors in Wheat States.
August 31	Letter transmitting mimeographed pamphlet showing the wheat statistics for the 4-year period 1929-1932 for each county in the States concerned.	To State extension directors in: Idaho, Oregon, Utah and Washington. Supplies of the material sent direct to agents in wheat counties with an additional supply sent to director for use in counties not now having agents and for the State staff.
September 1	Press release "International Wheat Agreement Formally Completed."	To State extension editors in Wheat States.
September 1	Weekly News Series No. 75 "15 Percent Wheat Cut in Line with World Readjustment." (Special wheat story).	To State extension editors in 37 Wheat States.
September 1	Letter from Dr. Smith transmitting "Suggestions for Making Out Applications for Wheat Contracts," by M. L. Wilson.	To State extension directors in Wheat-Producing States. There were two types of letters - one to States where material was sent direct to agents and another where material was sent to director for distribution.
September 1 and 2	Ten printed wheat forms (approximately 2,500,000 copies).	Due to underestimating needs for the printed wheat forms, it was necessary to have a reprint of this material. Distribution was made in accordance with instructions from State directors.
September 1	Wheat mats 3 and 4 in the series of 5 economic graphs being distributed in the form of mats.	Distributed either in bulk to State extension editors or direct to newspapers in Wheat States in accordance with instructions received from State extension editors.

C O T T O N:

August 30	Press release "Meetings Called to Consider New Cotton Reduction Program."	To State extension editors in Cotton States.
